

Innovative Solutions from Data-Driven Analysis

Data Analytics

Warrior Care

Business Process Improvement

KSA Integration, LLC, is a Service-Disabled Veteran-owned Small Business (SDVOSB) founded by LtGen (USMC, Ret.) Keith Stalder in November 2010. KSA Integration provides custom consulting solutions without the overhead cost constraints of larger, less flexible companies.

Data Analytics

- Data Visualization
- Decision Support Analytics
- Artificial Intelligence & Machine Learning

Warrior Care

- Care Coordination
- Career Transition
- Call and Resource Center Operations
- Need and Resource Parring

Business Process Improvement

- Strategy & Policy Development
- Program and Acquisition Support
- Performance Management

Key Past Performance

US Marine Corps – Wounded Warrior Call Center (WWCC)

KSA operates the 24/7/365 WWCC managing support for Wounded, Ill, and Injured (WII) Recovering Service Members and their families.

DHS S&T Directorate - System of Systems Operational Analysis (SoSOA)

KSA Integration helps SoSOA maximize DHS data sources and use agile modeling and analytics to reduce analysis cycle time.

US Marine Corps Training and Education Command (TECOM)

KSA supports TECOM with research and analysis of training and education policies to improve each focused subject areas.
