

Critical thinking for your most complex problems

KSA Integration was founded in the belief that personalized consulting provides the concentration of talent, vision and resources that will drive the best outcomes at the best value for your organization.

Our roster of subject matter experts assess root causes and apply the highest level of rigor and analytics when developing tailored, scalable solutions that last.

Key Clients

Service | Integrity | Value

At KSA Integration, clients are not just contracts.
You are our commitment.

Please contact us or visit our website to learn about our contract vehicles and how we help our clients succeed.

Two of KSA Integration's Contract Vehicles

We offer GSA's OASIS+ Total Small Business and SDVOSB vehicles, which are Best-in-Class government-wide contracts meeting Federal agencies' needs for a full range of requirements.

The GSA's management costs are covered, including master contract administration, support to ordering agencies, and systems support and maintenance.

Click on the links below to learn more about using OASIS+.

OASIS+ Benefits

- Single solution integrating complex non-IT services
- Allows for scope expansion
- Improved accountability
- Robust web library
- All contract types available
- The GSA set the Contract Access Fee (CAF) low—there is no applicable cap for the CAF:
 - Non-negotiable, flat CAF rate of 0.15% is applied to the total amount billed on each invoice (including ancillary support, travel, and profit)
